Item 3: Disciplinary Information

There are no legal or disciplinary events that are material to a client's or prospective client's evaluation of this advisory business.

Item 4: Other Business Activities

Benjamin Howe Atwater is not engaged in an investment-related business or occupation (other than this advisory firm). However, he is an investor and owner of Josie's Pub, a local restaurant in East Petersburg, PA. The legal name of the restaurant is Main St. EP Restaurant, LLC and its affiliated real estate holding company is Main Street EP Associates, LLC. This is a non-investment related company for which Mr. Atwater spends less than 10% of his time. Two of the co-owners of the restaurant are Atwater Malick clients. Engaging in this outside business activity with two of his clients creates a conflict of interest because Mr. Atwater could prioritize the financial and investment interests of the co-investor/owner clients over other Atwater Malick clients. Consistent with Atwater Malick's fiduciary duty to all clients, Atwater Malick has developed policies and procedures to ensure all clients are treated fairly and objectively. This includes steps to manage this conflict of interest. Atwater Malick does not give preferential investment or financial advice/services to the clients with which Mr. Atwater is a co-investor/owner and such clients are treated in the same manner as other clients.

Item 5: Additional Compensation

Other than salary, annual bonuses, or regular bonuses, Benjamin Howe Atwater does not receive any economic benefit from any person, company, or organization, in exchange for providing clients advisory services through Atwater Malick, LLC.

Item 6: Supervision

As one of the co-owners and representatives of Atwater Malick, LLC, Benjamin Howe Atwater works closely with co-owner Matthew Charles Malick and all advice provided to clients is reviewed by both individuals prior to implementation. Benjamin Howe Atwater's contact information is on the cover page of this disclosure document.
